

# Roll and Go!

Work with a partner. You will need a number cube.

## **How to play:**

Each player writes a number between 5 and 10. This is the start of an increasing number pattern.

Each player rolls the number cube. This is the number added each time.

Write the next 5 numbers in your pattern.

Trade patterns with your partner.

Find your partner's pattern rule.

## **Take It Further**

Play again. This time, create a decreasing pattern.

- Choose a starting number between 31 and 40.
- Count back by the number rolled.
