Doubles Snap!!

Play in pairs

You will need:
• ten frame cards
• some counters
• a hundred’s chart

How to Play:
• Put all your ten frame cards in a pile between you.
• Player 1 turns over the top card.
• Both players think... “What is the double of that?”
• The first player to say the double fact wins the card.
• The other partner puts a marker on the hundreds chart to show the doubles fact.

• Keep playing until the cards run out.
• What numbers did you cover up? How are they alike?
